zeus-el.it

Customizable and efficient powder coating systems

VALUES

The company follows a precise ethical code oriented towards transparency, honesty and fairness of behavior. Seeks the correct balance between respect for people and corporate interest, with extreme attention to the needs of customers, collaborators and partners.

MISSION

Our mission is to create an optimal and long-lasting relationship with our customers; to pursue this aim, 3 fundamental elements are necessary:

CARE OF SUPPLIERS

Our suppliers are chosen for their competence and seriousness. Only thanks to a consolidated relationship it is possible to spend more time in research and technological innovation. They represent the basis for the realization of each project.

OUR COLLABORATORS

Zeus is a close-knit team: salespeople, designers and technicians work in total synergy for better understand the needs of customers, translating them into efficient, reliable and tailored technical solutions.

THE CUSTOMER

For us, the acquisition of a new one customer is not the point of arrival, otherwise, it is the beginning of a journey that, thanks to the after-sales service, it helps to create a bond of trust that makes us an irreplaceable partner.

WHY CHOOSE ZEUS

SUSTAINABILITY AND ECOLOGY

Zeus has always cared about safeguarding of the environment, all our efforts are geared towards "sustainability". Thanks to our cutting-edge equipment it is possible a high percentage of overspray recovery, which results in little waste and high profitability.

A LEADING-EDGE TECHNOLOGY AT THE SERVICE OF OUR CUSTOMERS

Zeus technicians and engineers are constantly looking for the better efficiency and performance of the equipment. We do this through the maximization of the transfer of the powder on the piece, together with the high efficiency of recovery of our booths.

RESISTANCE

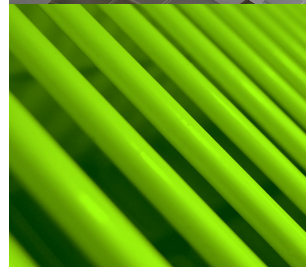

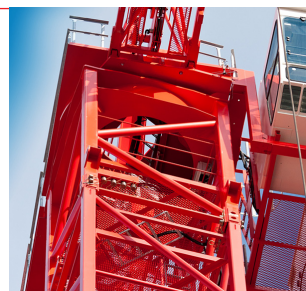

Zeus devices are made with high quality materials, born for be able to last over time and resist to heavy use of a painting plant. Our products are tested and certified, that's why we can find multiple solutions for our customers: both for painting large surfaces, or for jobs that require a high degree of finish.
